**Provence en Bel Air**

This 3-bedroom 3-bath French country cottage is situated on a prominent ridge with expansive canyon views. Enter through the leaded glass, carved-wood front door into a little bit of Provence in Bel Air. This home is a perfect blend of elegance and rustic charm, featuring chandeliers, French vanities, beveled glass, French doors, used-brick floors and ornate carved kitchen cabinets. The master suite includes his and her baths and a bedroom that can be used as a private office, nursery, den or extension of the master closet. There are vast canyon and garden views from the master bedroom and public rooms. The garden patio and upstairs bedroom have additional city light views.
